

MISSION AND VISION STATEMENT FOR TWIN CITIES NONVIOLENT

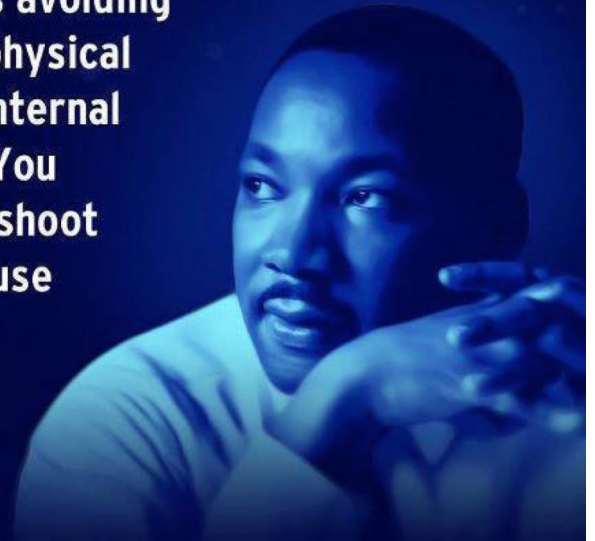

The Mission of Twin Cities Nonviolent is to act as a catalyst that inspires and supports local organizations, including those of government, to work together to reduce violence in all its forms, structures and systems by increasing awareness of and engagement in nonviolence by all people in our diverse the Twin Cities community.

Our Vision is that a culture of nonviolence pervades the Twin Cities community.

TC Nonviolent Meeting:

**Join us as we meet together to build
a beloved community of nonviolence.**

**Nonviolence means avoiding
not only external physical
violence but also internal
violence of spirit. You
not only refuse to shoot
a man, but you refuse
to hate him.**

Please join with us to engage hearts and minds in sharing about our experience of violence and to imagine together how we can actively build and generate a culture and practices of nonviolence.
